

What if every girl fulfills her potential? Imagine what that could start!

Helping girls reach their full potential through mentoring can lead to positive community outcomes like a reduction in poverty and unemployment, safer schools, and a new generation of civic-minded adults.

The Big Sisters Spring Lunch is an annual fundraiser for Big Sisters of BC Lower Mainland that celebrates mentoring and raises funds to support our three mentoring programs. Held each spring in downtown Vancouver, this popular luncheon features a keynote speaker and a personal story from a Little Sister or parent, plus a three-course lunch and networking opportunity with 350 guests. Past keynote speakers have included Mayor Dianne Watts, Nicola Cavendish and Mary-Ellen Turpel Lafond.

The 2012 Big Sisters Spring Lunch will be held on Thursday, May 10th at the Fairmont Pacific Rim Hotel with distinguished keynote speaker Bonnie Brooks, President & CEO of the Bay.
