Chantelle Krish

Chantelle Krish is a transformative, community-driven executive with multi-sector experience and a leadership style rooted in collaboration.

Throughout her career she has spearheaded advocacy initiatives to advance systemic change and addressed systemic barriers to gender equality, leading to policy changes at all levels of government.

Under Chantelle's leadership, Big Sisters of BC Lower Mainland has undergone a period of sustained and meaningful growth across programs and philanthropy. This was supported by the launch of 'Ignite the Movement' and the Big Sisters five-year plan.

Chantelle has been recognized with the BC Achievement Foundation's Community Champion Award, Business in Vancouver's Forty Under 40, the BC Business Women of the Year 2026, and the King Charles III Coronation Medal. She serves on the board of YWCA Canada.

A communicator at heart, Chantelle's mission is simple—to empower girls and youth to one day change the world.

A handwritten signature in blue ink, appearing to read "Chantelle Krish", with a long horizontal flourish extending to the right.
